## Interested in shifting philanthropic practice?

Dear all,

It was great to see so many of you in Wilmington, NC at the Neighborhood Funders Group convening. At the convening, we hosted a launch event for our new Funder Learning and Organizing Space (FLOS) where over 50 people attended.

For those that were unable to attend, we will be hosting our first virtual FLOS meeting next month on Wednesday, July 12. This will be a space for our funders to learn about our grantees, places, and issue areas, in addition to learning about best funder practices. We will also be using this space to identify goals, practice, experiment, and hold each other accountable to funder organizing.

As an Amplify member, you are encouraged to join all FLOS meetings and activities, and should have received an invitation. If you're interested in becoming a member, please reach out to Melody Baker at [melody@nfg.org](mailto:melody@nfg.org).

Sincerely,  
The Amplify team
